

The chart displays wave height data over a 12-day period. The y-axis represents wave height in meters (0 to 14). The x-axis shows dates from Tuesday 03-Feb to Friday 13-Feb. A red vertical line at the start of the data series indicates the 'Noise' period. The legend indicates that the data is 'Excellent' (green bars). The wave height peaks at approximately 12.5m on Friday 06-Feb and 11.5m on Tuesday 10-Feb.
